<u>Agenda Item #</u>	<u>Discussion</u>	<u>Action Items</u>
OIC	• DMT yesterday. Wayne Rideout assessing the PBL and doing a complete review.	
C/Supt. Gill	• Stabbing may cause a feud at school. Have Harm reach in to Persona and get the parents together. AP – we are underway with this. SG – has the principal asked for anything further (NIRST)? AP – no. don't want anything like a nirst.	
Supt Schwartz	• Nothing.	
Supt Mann	• Langley Range and nexus to Freedom Convoy. – BE – need to be cautious. Need to know what the law is. Nothing illegal about donating to a "go fund me" page. Reluctant to go too hard on this. CO concerned about looking at employee's who have contributed. If there is no law broken then not much we can do. SG – discussed yesterday that this is Langley's issue.	

	We have a responsibility to our members – safety issue? Could our officers be at risk by attending? Also could be an issue of Public Trust.	
Supt Hall	• Stabbing – soc was being threatened by one of the vic's last week. 2 vics stabbed are in hospital and stable condition. • PTEP submissions going in. • Other stabbing – out of medically induced coma and has id'd Ronjodh BK	
Supt Burleigh	• Numbers are looking good across all watches. • Good work in D2 with the stolen till from McDonalds. • Working through cleaning up emails and preparing for tomorrows meeting. • BE – when are we going to revisit extra bodies on the Watch? – MB – this will be part of our discussion tomorrow.	
Supt Paradis	• Not much going on down here today.	
SSM Koga	• Planning the Cst. Neville memorial. Overwhelming response from ERT team. Limited to 6 for now but the entire team would like to attend. BE – lets open it up as no indoor limits. Hospitality approved.	
Cpl. Munn	• Had an enq from Omni this am re IRP that occurred in Jan. male claiming he was sucking instead of blowing due to medical reasons. Omni will be interviewing him regarding this. We have told them we can't give specifics on file. • Missing 13yo – missing since 16th. We checked her on 18th and parents aren't happy that she wasn't returned home at the time. Also family friend is Delta Sgt who accessed the file and wasn't happy about documentation on file. Allison Douglas in PSU will be forwarding to Delta.	
Johan	• Nothing.	
Carly	• Thanks to Youth and GIU for timeliness re stabbing at school. We were able to get the Media release out right away and info provided was sufficient thaqt no further questions were asked.	

Next Meeting:

Royal Canadian Mounted Police Gendarmerie royale du Canada
